I can hear those lonesome midnight sighs in your sleep  
I can hear the freight trains whistle cry, its tellin me  
Its telling me, oh darlin cant you see  
Here comes that same old line, here comes goodbye.  
Here comes goodbye, tonight  
Put a hold on all your lies, its just not right  
It comes as no surprise, this time  
Any fool would realize, here comes goodbye.  
Better take some time to talk it over again with me  
Better get all your things together now if you leave  
Its killin me, oh darlin cant you see  
Here comes that same old line, here comes goodbye.  
Here comes goodbye, tonight  
Put a hold on all your lies, its just not right  
It comes as no surprise, this time  
Any fool would realize, here comes goodbye.  
I can hear your footsteps movin slowly across my floor  
I can see your shadow look back at me outside my door  
Whatcha waitin for? Oh darlin I know for sure  
Here comes that same old line, here comes goodbye.  
Here comes goodbye, tonight  
Put a hold on all your lies, its just not right  
It comes as no surprise, this time  
Any fool would realize, here comes goodbye.  
Any fool would realize, here comes goodbye...
