I've been up and down the floor  
Sleep won't hold me anymore  
I'm running out of games to play  
I don't have to live this way.  
Thought I loved you for a while  
You were loaded up on style  
Talk is cheap but I won't pay  
I don't have to live this way.  
No I won't pay for games that you devise  
I won't wait and listen to your lies  
Before you speak another word  
I'll repeat it so I'm heard  
Running out of games to play  
I don't have to live this way.  
You won't stay another night  
Or give your wrong another right  
Now I've got the eyes to see  
You get your kicks by hurting me.  
No I won't pay for games that you devise  
I won't wait and listen to your lies  
Before you speak another word  
I'll repeat it so I'm heard  
Running out of games to play  
I don't have to live this way.
