I'm writing my last love letter  
And for reasons now, i don't know where to start  
Seems so many times i've written down "i love you"  
Well i hope this time i can get that through your heart

Only fools will go on and keep talkin' to a wall  
But i can't fool around forever  
And if stone is the wall that you've built around your  
heart  
Then i guess it's goodbye in this letter

And maybe i was wrong to ever think that you could  
love me  
I was hoping you just couldn't find the time  
Have my efforts been in vain with pen and paper?  
Did you ever care, did i ever cross your mind?

Only fools will go on and keep talkin' to a wall  
But i can't fool around forever  
And if stone is the wall that you've built around your  
heart  
Then i guess it's goodbye in this letter

In this letter
