I wonder should i tell you
'bout all the crazy things i've ever done
I've been searching all my life
And when i should have stayed
I tried to run
I was searching for an answer
In a world full of strangers
But what i found was never real enough
Now that i've found you
I'm looking in the eyes of love

Darlin' you've been good to me
You are so much more than i deserve
I never thought that i would find
Someone who's so sweet and kind like you
Please believe me when i say
This time i won't run away
I swear by all of heaven's stars above
Now that i've found you
I'm looking in the eyes of love

Chorus:
Looking in the eyes of love i can see forever
I can see you and me walking in this old world together
Lord my heart's found a home
I've been dreaming of
Now that i've found you
I'm looking in the eyes of love

Chorus
