Don't expect too much from my poor old heart
You can blame me unforgiven for my scars
You might just be the best that I can find
But I can't seem to forget the tears I've cried.
I don't know that I will ever trust again
It's the price that I must pay for all my sins
Time has changed me and left me full of doubt
And my heart may be lost...never to be found.
Once upon a time I did believe
In my true love that swept me off my feet
Then the winds of change
Swept in the way
And left me drowning in my pain.
I don't know that I will ever love again
It's the price that I must pay for all my sins
Time has changed me and left me full of doubt
And my heart may be lost...never to be found.
I don't know that I will ever love again
It's the price that I must pay for all my sins
Time has changed me and left me full of doubt.
I don't know that I will ever trust again
It's the price that I must pay for all my sins
Time has changed me and left me full of doubt
And my heart may be lost...never to be found.
