Honey, I know you've been alone some
Why dont you phone some?

'Cause I love you.

Honey, I know I've been away some

I've had to pay some,

And you have too.

Chorus:

But the one thing I know

That when I turn out the light

Visions of you, dear

Dance in the night.

I've been put down, pushed around,

Apprehended and led downtown

And I can't help it if I'm outta sight

'Cause I'm restless tonight.

I just can't stand being alone

I'm gonna have to change that some day

There's a restless feelin' in my bones

And I know at times it just won't go away.

So if it's all the same, honey

I can't take the blame, baby

I can't play a game, honey

It's true as true.

And if in the end,

The temptation wears ya' thin

Honey I'll, I'll just pretend

That I'll leave it up to you.

Chorus:

But the one thing I know

That when I turn out the light

Visions of you, dear

Dance in the night.

I've been put down, pushed around,

Apprehended and led downtown

An' I can't help it if I'm full of fight.

Chorus:

But the one thing I know

That when I turn out the light

Visions of you, dear

Dance in the night.

I've been put down, pushed around,

Apprehended and led downtown

An' I can't help it if I'm outta sight
'Cause I'm restless tonight...
