Steel rails, chasing sunshine round the bend
Winding through the trees, like a ribbon in the wind
I don't mind not knowing what lies down the track
Cause i'm looking out ahead, to keep my mind from
turning back

It's not the first time i've found myself alone and known
If i really had you once, then i'd have you when i'm
gone
Whistle blows, blowin' lonesome in my mind
Calling me along that never ending metal line

Steel rails, chasing sunshine round the bend
Winding through the trees, like a ribbon in the wind
I don't mind not knowing what lies down the track
Cause i'm looking out ahead, to keep my mind from
turning back

Sun is shining, through the open boxcar door
Lying in my mind with the things i've known before
I've lost count of the hours, days, and nights
The rhythm of the rails keeps the motion in my mind

Steel rails, chasing sunshine round the bend
Winding through the trees, like a ribbon in the wind
I don't mind not knowing what lies down the track
Cause i'm looking out ahead, to keep my mind from
turning back

Cause i'm looking out ahead, to keep my mind from
turning back
