Walking out on me must be the way you show me how it  
feels to be her

I realize the fault is mine, i'm getting everything that i  
deserve

It's over and older the tears seem much colder  
Sunshiny days seem to be so blue  
It's over and older the tears seem much colder  
Each passing day i wish i still had you

My troubles would be all over now if i could only get you  
off my mind  
And i would give a fortune now if i could only hold you  
one more time

It's over and older the tears seem much colder  
Sunshiny days seem to be so blue  
It's over and older the tears seem much colder  
Each passing day i wish i still had you
