WHAT DID YOU LEARN IN SCHOOL TODAY
(Tom Paxton)

What did you learn in school today, dear little boy of mine?

I learned that Washington never told a lie
I learned that soldiers seldom die
I learned that everybody's free
That's what the teacher said to me
And that's what I learned in school today
That's what I learned in school

What did you learn in school today, dear little boy of mine?

I learned that policemen are my friends
I learned that justice never ends
I learned that murderers die for their crimes
Even if we make a mistake sometimes
And that's what I learned in school today
That's what I learned in school

What did you learn in school today, dear little boy of mine?

I learned that war is not so bad
I learned about the great ones we have had
We fought in Germany and in France
And someday I might get my chance
And that's what I learned in school today
That's what I learned in school

What did you learn in school today, dear little boy of mine?

I learned that our government must be strong
It's always right and never wrong
Our leaders are the finest men
So we elect them again and again
And that's what I learned in school today
That's what I learned in school
