Can I touch you to see if you're real?
?Cause in nothing there's something I feel
Will my heart take the strain
Or will it break down again?

In your lips I sense a danger
You've got the eyes of a stranger

Have I been sleeping for all these years?
Is it magic that makes you appear?
When you walked in the room I felt my heart race
But knew I'd been fooled when I looked at your face

In your lips I sense a danger
You've got the eyes of a stranger
In your lips I see a danger
You've got the eyes of a stranger

In your lips I sense a danger
You've got the eyes of a stranger
In your lips I see a danger
You've got the eyes of a stranger

You've got the eyes of a stranger
You've got the eyes of a stranger
You've got the eyes of a stranger
You've got the eyes of a stranger
