The universe  
Is a bulging purse  
For greedy little hands  
The conquerors have stole away  
The gold from far-off lands  
And God was there  
Yes, he was there  
The flag held high his name  
Yea, and all men will be civilized  
And murder is the game

And we'll all be there on Sunday  
To claim eternal grace  
And we'll all be there on Sunday  
Our sins to be erased  
Yes, we'll all cry out together  
Praise glory to his name  
And we'll all be there on Sunday  
The blind, the deaf, and lame

The unexplored  
Was to be deplored  
For they were savage men  
To pagan shores, the ships set sail  
All evil to condemn  
And he was there  
Yes, he was there  
The flag held high his name  
Yea, and all men will be civilized  
And murder is the game

And we'll all be there on Sunday  
To claim eternal grace  
And we'll all be there on Sunday  
Our sins to be erased  
Yes, we'll all cry out together  
Praise glory to his name  
And we'll all be there on Sunday  
The blind, the deaf, and lame

Yes, we'll all be there on Sunday

To claim eternal grace  
And we'll all be there on Sunday  
Our sins to be erased  
Yes, we'll all cry out together  
Praise glory to his name  
And we'll all be there on Sunday  
The blind, the deaf, and lame
