Pollyanna by Cathrine Warwick

I believe the morning sun  
Always gonna shine again and  
I believe a pot of gold  
Waits at every rainbow's end, oh  
I believe in roses kissed with dew  
Why shouldn't I believe the same in you?

I believe in make believe  
Fairy tales and lucky charms and  
I believe in promises  
Spoken as you cross your heart, oh  
I believe in skies forever blue  
Why shouldn't I believe the same in you?

You may say I'm a fool  
Feelin' the way that I do  
You can call me Pollyanna  
Say I'm crazy as a loon  
I believe in silver linings  
And that's why I believe in you

I believe there'll come a day  
Mabe it will be tomorrow

When the blue bird flies away  
All we have to do is follow  
I believe a dream can still come true  
Why shouldn't I believe the same in you

You may say I'm a fool  
Feelin' the way that I do  
I believe in friends and laughter  
And the wonders love can do  
I believe in songs and magic  
And that's why I believe in you

You may say I'm a fool  
Feelin' this way about you  
There's not much I can do  
I'm gonna be this way my life through

'Cause I still believe in miracles  
I swear I've seen a few  
And the time will surely come  
When you can see my point of view  
I believe in second chances  
And that's why I believe in you
