Step down from the balcony, son.
The seagulls may well take you,
let them come

Step down from the balcony, son.
We're getting tired of your antics,
well, so am I.

The sorry state of this place.
I think I made a mistake.
In fact, I think I miss my family.
You said Sophie was your trophy,
and I just couldn't laugh.
you know I can't get along with myself.
You know, I just can't get along with myself.

Stay there for the whole day if you must.
May the seagulls take you,
well, I don't mind.

Stay there for the whole day, you're not getting paid
anyway.
Were getting tired of your antics,
well, so am I.

The sorry state of this place.
I think I've made a mistake.
In fact, I think I miss my family.
You said "Come and swallow my pride",
and I just couldn't laugh.
You know I can't get along with myself.
You know, I just can't get along with myself.

I wish they'd carry me home.
I wish they'd carry me home.

I dry my eyes for six days,
then I'll return to my friends,
then I go back to see my family.
You said Sophie was your trophy,
and I just couldn't laugh.

You know I can't get along with myself.
You know I just can't get along with myself.
