It feels like love, my darling, It feels like love
And I just can't take it, my darling. I can't take it. We khateni men eidee, ya
habibi, we mesheena.

Taht el amar, ghanaina, we seherna wa hakaina.

We fe iz el kalaam, siket el kalaam.
So no wonder, I'm holding on to love with my hands.

We ah mel hawa ya habibi, Ah mel hawa ya habibi.
Part 2

We khateni we meshena, wel farh ye domina.

We neseena ya habibi, meen enta we meen ana,

Haset enni hawana, hayeesh milion sanna.
And when you were with me, the world was in my hands.

Aqmor alla hawaya, te oul amraki ya einaya.

We fe iz el kalaam, siket el kalaam.
So no wonder, I'm holding on to love with my hands.

We ah mel hawa ya habibi, Ah mel hawa ya habibi.
Part 3

Khaief, we mesheet wanaa khaief,

Edee, fe edaak wana khaief.

Khaief alla farhet albi,

Khaief ala shoki we hobee.
And how many times did I tell you?

Wehnaa fee eiz el hana.

Outilak, ya habibi.

Lana ad el farha deya,

We halawt el farha deya.

Khaief law fe yom we leyla,

Ma la-eksh bein edaya.

Teroooh we tegheeb, tegheeb alaya.
And then you told me, my darling.

De donietee, entalli malet-ha.

We fe iz el kalaam, siket el kalaam.
So no wonder, I'm holding on to love with my hands.

We ah mel hawa ya habibi, Ah mel hawa ya habibi.

Part 5

We khatenee ya habibi, we roht tayer, tayer.

We foteni ya habibi, we albi hayer, hayer.

We oltelee ragei, bokra ana ragei,
And I kept waiting with all hope.

We malee el beit bel ward, bel shoq, bel hob, bel aghani.

We shamei ayed, shamei ayed, we ahla kelma fok lesanee.

Kan da hali ya habibi, lama geet.
We responded with the beautiful song together.

We eloubna ma nour el shamaa sawa.

We douqna halawt el hob. Douknaha sawa.

We fe lahza laqetak ya habibi, ya habibi, zay dawamit hawa.
You threw away the flowers, and put out the candles, my darling.

Wel ghenwa el helwa, malaha el damei ya habibi.

We fe eiz el aman, daa meneel aman.
So no wonder, I'm holding on to love with my hands.

We ah mel hawa ya habibi, Ah mel hawa ya habibi.
