Makes you real and honest
Makes it worth it all
Make the pain melt away

Don't wait another day
Take a new avenue
Look inside you will find
The way you lost

Tell me you lost it!
Tell me you lost it!
Whatever it takes you know I won't let it break you
Tell me you lost it!
Tell me you lost it!
Don't carry the weight, the weight

I wait for you
Always will, always do
I wait for you
Burning, bleeding, dying
(X2)

Makes you feel so vibrant
Makes you fall in love
Makes you feel like brand new

Don't wait another day
Take a new avenue
Look inside you will find
The way you lost

Tell me you lost it!
Tell me you lost it!
Whatever it takes you know I won't let it break you
Tell me you lost it!
Tell me you lost it!
Don't carry the weight, the weight

I wait for you
Always will, always do
I wait for you
Burning, bleeding, dying

(X2)

I'm fed up of missing you
I'm fed up of all your lies
I'm fed up of chasing you
I'm fed up of your disguise
(X2)

I'm fed up
FED UP
(X3)

Tell me you lost it!
Tell me you lost it!
Whatever it takes you know I won't let it break you
Tell me you lost it!
Tell me you lost it!
Don't carry the weight, the weight

I wait for you
Always will, always do
I wait for you
Burning, bleeding, dying
(X4)

I'm fed up
I'm FED UP
