Why is my love so cold?
No more will I pretend,
Gasping for air as you're slipping through my fingers,
Don't kiss me goodbye,
Please don't leave here,

I'm dying inside,
(Knowing it's my fault)
I'm crying with my,
(Fist against the wall)
Can't get away,
I swear I'm gonna break,
I'm paralyzed,
I need you now,

The smell of sacrifice,
Your disappearing whispers,
I cannot grasp how my life inside just withers,
Don't kiss me goodbye,
Please don't leave here,

I'm dying inside,
(Knowing it's my fault)
I'm crying with my,
(Fist against the wall)
Can't get away,
I swear I'm gonna break,
I'm paralyzed,
I need you now,

I need you,
I need you now,
I need you,

Death before I give dishonor,
Death before I disobey,
Death before I give dishonor!
Death before I disobey!
Disobey

I'm dying inside,
(Knowing it's my fault)

I'm crying with my,
(Fist against the wall)
Can't get away,
I swear I'm gonna break,
I'm paralyzed,
I need you now,

I need you now
