Yeah  
Come on  
I need a  
I want a

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

Yo, I'm internationally known on the microphone  
I got it all, but I really need a wife at home  
I don't really like the zone, never spend the night alone  
I got a few, you would like to bone

But, chicks don't romance me, don't tickle my fancy  
Only Tiffany, Nancy, that's not what my plans be  
I need a girl that could stand me, raise me a family  
Go to trips at the Lancy, trip to the Grammy's 'cause

Most of these girls be confusin' me  
I don't know if they really love me or they usin' me  
Here's the money, or maybe you ain't used to me  
'Cause you was depressed and now you abusin' me

That's why I need me a girl that be true to me  
Know 'bout the game, and know how to do to me  
Without a girl on my side, shit'll ruin me  
Forget the world girl, it's just you and me, now let's ride

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else 'cuz she's all mine  
I need a girl in my life

Yo, yo, I done met a lot of women in my lifetime  
But see, it's not a lot of women that got the right mind

An' I done had pretty chicks with all the right features  
And hood rat chicks that only rock sneakers

Cellphones and beepers, and know how to treat ya  
You break her heart, she'll walk out and leave ya  
I find a girl, I'ma keep her  
'Cuz now I'm gettin' money and the game gettin'  
deeper

I want some real shit, I need somebody I can chill with  
I need somebody I can build with  
I need somebody I can hold tight  
With the time and no full limits, no right

Anytime we together would feel so right  
You the girl I been lookin' for my whole life  
God bless me, I'm glad I got the insight  
Because of you girl, now I understand life, I need a girl

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else 'cuz she's all mine  
I need a girl in my life

I had a girl that would've died for me  
Didn't 'preciate her so I made her cry for me  
Every night she had tears in her eyes for me  
Quarter K's, shorty took the whole ride for me

At first we were friends then became lovers  
You was more than my girl, we was like brothers  
All night we would play fight under covers  
Now you gone, can't love you like I really wanna

But every time I think about your pretty smile  
And how we used to drive the whole city wild  
Damn, I wish you would've had my child  
A pretty little girl wit Diddy's style, this shit is wild

All dem days that I reminisce  
About the way I use to kiss dem pretty lips  
But as long as you happy, I'ma tell you this  
I love you girl and you're the one that I will always miss  
I love you, yeah

I need a girl to ride, ride, ride

I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else 'cuz she's all mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else 'cuz she's all mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to be my wife  
Nobody else 'cuz she's all mine  
I need a girl in my life

I need a girl to ride, ride, ride  
I need a girl to make my wife  
I need a girl who's mine, oh mine
