(feat. Nicole Scherzinger)

[Nicole (Diddy)]

It's Bad Boy bitch

Do it do it do it do it

Do it do it do it do it

(It feels good to be back, I missed ya)

Relax your mind, let your conscience be free

And I roll with the sounds of BBE

Do it do it do it do it

Do it do it do it do it

(You know what time it is)

(Report to the dance floor)

It's bad boy bitch

(Talk to 'em)

[Nicole]

See you out the corner of my eye

Leaning on the wall, looking fly

I want you to come be with me

You're the only one I wanna talk to

But I don't wanna rush

[Chorus - Nicole:]

I'm here when will you make your move?

I see you, I am me, I want cha, why don't cha

Come to me, I can be, what you need, uh baby

I'm standing, been waiting, I'm yearning, I'm burning

Get to know me, come and get to know me

Come to show me, that you wanna know me

[Diddy]

You know who it is, I'm back in the building

Security strapped, still stacking a million

It's doubt with the stallion, somethin' Italian

Or maybe Puerto Rican, you can catch me in Paris

I'm in it to win it but willing to carry

The game, if you think I'm not look at the carats

I buck clean about in a Phantom

The people go screaming like an opera anthem

I did it before, do it again

I got to blow, gotta to spin

Lies before, cool as the wind
Got hits go back like juice and gin
Shine the best and diamond necklace
My extravagant taste, the style perplexes
They know I'm the ish, they wanna get next
That's why she had to fit cause she wanted to get next

[Chorus]

[Diddy (Nicole)]

Anywhere I appear, they all stop and stare
Admire your body language speaking loud and clear
like
(I want you to come be with me)
She be waiting anticipating for oh so long
Fantasising wild thoughts of me coming on like
(I'm here when will you make your move)
She digging my style, my swag, my suede, my swerve
My way with words, the Boys absurd for sure
You can't fall 'til my aura called
I make miracles like I walk on water
What you want mama order, it's on my tab
I'm so bad with the cash, I dropped the whole bag
Where you at girl?

[Chorus]

[Nicole]

I'm here right now, can't wait no more no
You were the one who stole my heart
Can't you see the wait is over
I need you to come closer
Please believe is getting stormy
You really got me hot

[Chorus]

[Diddy and Nicole]

Do it do it do it do it
Do it do it do it do it
Why don't cha come to me
I can be, what you need uh baby
I'm here, you're here, let's make it happen
Do it do it do it do it
Do it do it do it do it
Relax your mind, let your conscience be free
And I roll with the sounds of BBE (Bad Boy
Entertainment)
Do it, do it
You know what this is
It's Bad Boy bitch
