(Puff Daddy)
Hear my cries
Hear my calls
Lend me your ears
See my fall
See my error
Know my faults
Time haults
See my loss
Know im lacking
Backtracking
Where i met you
Pistol packing
Itchy finger
Trigga happy
Try and trap me
Bad rap
Wiretap me
Backstab me
Break the faith
Fall from grace
Tell me lies
Time flies
Close your eyes
Come with me...

Come with me, yeah
Come with me, uh huh yeah

You said to trust you
You'd never hurt me
Now i'm disgusted
Just been adjusted
Certainly it fooled me
Ridiculed me
Left me hangin with my shit
Boomerangin right back at ya
Pistol range
Narrow-minded
Left me blinded
I consigned it
Shit backfired

Not many would bear the pressure
You comprehend me
You want to end me
You offend me
Its trauma
Feel the trauma
Come with me...

Yeah, uh huh come with me
Don't be afraid
Come with me

(Jimmy Page)
Close my eyes...
And i see...
You...
Standing there....
I cry....
Tears....
Of sorrow....
I die....

(Puff Daddy)
Uh huh yeah
Fuck my enemies
Fuck my foes
Damn these hoes
Back up off me
Give me room to breathe\
I'm not hearin it
Im not fearin it
Im up to my ears in this
Bullshit
I'm destructive
Some women find that seductive
Some say it's lunacy
Reluctantly i've been moving on
I ignore you
Sorry if i bore you
I neglect you
Don't mean to disrespect you
Can't you see
I love you dearly
And i sincerly
But you annoy me
You can't avoid me
I'm here to stay
Forever andever
And a day that's never
I can't let you go
I can't forget it

Why you did it
And won't aquit it
I wanna fight you
I'll fuckin bite you
Can't stand nobody like you
You can't run
You can't hide
No surprise
Close your eyes
Come with me...

Come with me
Come with me, AHHHHHHHHHHHOOOOOOOOWWW
Yeah i like this
Come on
Come on
Yeah
Turn me up, just turn me up
Come on now, yeah

Hear my cries
Hear my calls
Lend me your ears(uh huh you ready now? come on
