I woke up to some kush and purp mixed up
My phone got 24 missed call
So many crockers I'm mad at me
They needed a fix but I just touch back down
I was only gone for 2 days, now they going crazy
Wailing my plug, just in the air, told the shit decrease
A... just touched down, I told that nigga, don't tell
nobody
I'ma buy all you... for me and my hoes
Everyone of my hoes are some real shooters
They on some head shots, just to get a slice
2 stay on my block, they know how my team rock
So what's beef to a nigga like me

[Hook]

I just picked up a new ratchet, this 50 brown clip gonna
show y'all
Niggas I ain't havening it, I'm living life so savage
A young nigga's the only option
Taking over your block bitch
What's beef, I'm on my golden bullshit
What's beef to a nigga like me
I'm posted on the scene, fuck the street
Ask yourself, do you really wanna roll over me?
Ask yourself, do you really wanna roll over me?

Stubborn boy stay strapped, homie I don't think you
wanna play
Y'all niggas talk bread, I be creeping where you lay
There ain't no games boy, shit ain't like no game boy
But I'm known for them blocks, gang boys
Zig zag I move around the feds ask me
They know my name barely but no question they don't
ask him
The boy got that thang on him,... gotta ask him
But until you know that, the boy cry bassing
Real nigga, hang around some real niggas
Yeah, I'm in the street everyday, call me a bread getter
All my niggas get money some bust shots
I just keep em around me cause my niggas' all I got
