Chorus

Hey Girl, I'm Tryna Get With You
Oh No, I Don't Wanna Be An Issue
You Should, Come Roll With Me
We Could Chill Up In The V.I.P.

Verse 1

Get Anything You Wish For
I'm On A Verge To Success So Usually You Will Get
More
Then Expected, It's A Pleasure For Me
So You Can Be Beyonce And I Can Be Your Jay-Z
Don't Wanna Be Number One, Wanna Be Your Only One
To Cherish Every Moment With The Girl I Call The
Special One
Cold Words But I Feel The Heat
Feeling Like I'm living Life And It's Incomplete
Your My Drug Baby, And I'm a fein
Your Smart, Your Cute And Everything In Between
7 Days Without Love Makes One Weak
I'm Just Saying Something Special Have To Happen
Every Time We Meet
You Didn't Mention But Girl I Know That You Waiting
Silence Is A Talent, I Appreciate Your Patience
Damn
Baby-Your-My .. Cin-der-ella

Chorus

Hey Girl, I'm Tryna Get With You
Oh No, I Don't Wanna Be An Issue
You Should, Come Roll With Me
We Could Chill Up In The V.I.P.

Verse 2

Last Few Nights, You Been On My Mind
Like, My Fitted Cap On My Head, But I Dont Think Right
And When I Mean I Spit, I Don't Spit, I Rhyme Tight

But How You Gone Swear That I'm Lovely But Not Prove
That You Love Me
Anyway, I Love The Fact That You Stay Close To Me Like
The Alphabet Letters A & B

Chorus

Hey Girl, I'm Tryna Get With You
Oh No, I Don't Wanna Be An Issue
You Should, Come Roll With Me
We Could Chill Up In The V.I.P.

Time To Get Back To Business

You Say That I Broke Your Heart And Love Is Your
Witness
One Plus One, Equals Two, See That Two, It Could Be Me
And You
You Didn't Mention But Girl I Know That You Waiting
Silence Is A Talent, I Appreciate Your Patience
Damn
Baby-Your-My .. Cin-der-ella

Verse 3

Don't Mean To Exaggerate But Your Finer Than Fine
Everybody Got A Chance But I Guarantee You'll Be Mine
Like The Way You Talk, Like The Way You Walk
And If You Wanna Talk Numbers Then Baby You On
Time Like A G-Shock

One Plus One, Equals Two, See That Two, It Could Be Me
And You
You Didn't Mention But Girl I Know That You Waiting
Silence Is A Talent, I Appreciate Your Patience

Chorus

Hey Girl, I'm Tryna Get With You
Oh No, I Don't Wanna Be An Issue
You Should, Come Roll With Me
We Could Chill Up In The V.I.P.
