Why did I have to meet you, why did you broke my  
heart  
I gave you my everything, why did you make me cry  
I'll give you back the same sorrow that you gave me  
Do not call me a bad man  
I can't forgive

The cruel, playful bond of love  
It's not the way but I can't stop myself  
Regret comes at the end of love  
Finally leaves, but not hatred

You don't have to beg love from me  
I don't mind leaving the cold, dark eyes  
I have that place in mind  
I'll be another temptation

This type of suffocating love  
I can't breathe, I want to take revenge

Why did I have to meet you, why did you broke my  
heart  
I gave you my everything, why did you make me cry  
I've forgiven you, are you able to laugh again  
Do not call me a bad man  
I can't forgive

A type of suffocating love  
I can't breathe, I want to take revenge

Why is it me, not you? don't you know that I'm not  
going?  
I gave you my everything, why did you make me cry  
I'll give you back the same sorrow that you gave me  
Do not call me a bad man  
I can't forgive

Why did I have to meet you, why did you broke my  
heart  
I gave you my everything, why did you make me cry  
I'll give you back the same sorrow that you gave me  
Do not call me a bad man

I can't forgive

Love hurts so much
