Feels like heaven, sweet darling
(Heavenly)
Baby, baby, baby
(Heavenly)
Heavenly

For the first time I do believe that
I've been swept off my feet
In all my life I've, I'd wonder whether
This would ever be

There's a place where only you could ever take me
I get lost in your arms
It's so strong, I am powerless to fight it
I surrender my life

Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part
Heavenly, heavenly

I wanna thank you
You're the reason for all that I am
'Cause without you I'd be lost, baby
You're all that I have

There's a place that only you could ever take me
I get lost in your arms
It's so strong, I am powerless to fight it
I surrender my life

Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part

Baby, won't you touch me, feel me
Until I'm overflowing?
Let me show you how much
Your love means to me

Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part

Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part

Heavenly, heavenly
Heavenly, heavenly
Heavenly, heavenly
Heavenly, heavenly
