It all came so easy, all the loving you gave me  
The feelings we shared  
And I still can remember, how you touched me so  
tender  
It told me you cared

We had a once in a lifetime  
But I just couldn't see until it was gone  
A second once in a lifetime  
May be too much to ask but i swear from now on

If ever you're in my arms again  
This time I'll love you much better  
If ever you're in my arms again  
This time I'll hold you forever  
This time we'll never end

I'm seeing clearly, how I still need you near me  
I still love you so  
There's something between us, that won't ever leave us  
There's no letting go

We had a once in a lifetime  
But I just didn't know it til my life fell apart  
A second once in a lifetime  
Isn't too much to ask 'cos I swear from the heart

If ever you're in my arms again  
This time I'll love you much better  
If ever you're in my arms again  
This time I'll hold you forever  
This time we'll never end

The best of romances deserve second chances  
I'll get to you somehow 'cos i promise now

If ever you're in my arms again  
This time I'll love you much better  
If ever you're in my arms again  
This time I'll hold you forever  
This time we'll never end
