If Ever You're In My Arms Again - Peabo Bryson

It all came so easy  
All the loving you gave me  
The feelings we shared  
And I still can remember  
How your touch was so tender  
It told me you cared  
We had a once in a lifetime  
But I just couldn't see  
Until it was gone  
A second once in a lifetime  
May be too much to ask  
But I swear from now on

Chorus:

If ever you're in my arms again  
This time I'll love you much better  
If ever you're in my arms again  
This time I'll hold you forever  
This time we'll never end  
Now I'm seen clearly  
How I still need you near me  
I still love you so  
There's something between us  
That won't ever leave us  
There's no letting go  
We had a once in a lifetime  
But I just didn't know it  
Till my life fell apart  
A second once in a lifetime  
Isn't too much to ask  
'Cause I swear from the heart

Chorus

Never end  
The best of romances  
Deserve second chances  
I'll get to you somehow  
'Cause I promise now  
Repeat chorus to fade
