Falling in love
It was easy at the start
I thought I had it in my hands

Something went wrong
Somewhere we lost a part
It was more than
We could stand, yeah

It was too late when I realized
That I couldn't see
The forest for the trees
What was wrong with me

There comes a time in every life
Love will come your way
And if it should stay
You'd better hold on to it tight
And never let it go

Love, it's a shining star
That's here to guide you
Every lover knows
You've got to hold on
To the good inside you
Let the feeling flow
And I'm sure love will grow

Falling in love
So easy at the start
I thought I had it here in
My hands, here in my hands

Something went wrong
Somewhere I lost a part
More than I could stand, yeah

It was too late when I realized
That I couldn't see
The forest for the trees
Something's wrong with me

There comes a time in every life
Love will come your way
And if it should stay
You'd better hold on to it tight
And never let it go, not love
(Let the feeling flow)

It's a shining star
That's here to guide you
(Every lover) every lover knows
You've got to hold on (hold on)
To the feeling inside you
(Feeling inside you)
Let the feeling flow
And I'm sure love will grow

Yeah, yeah, yeah
Let the feeling flow (hold on)
Let it flow (whoa, oh, hold on)
Let it flow (yeah)
You've got, got to let
(Feeling inside you)...
