MAYBE

Roberta Flack & Peabo Bryson

(B. Bacharach/C. B. Sager/Hamlisch)

If we both decide to try and make it one more time

I hope we take the time to know each other well

And if the answers don't come quick we'll go with how it
feels

And sometimes that's not yes or no but

Maybe there'll be no falling stars this time around

I still believe that

Honesty is all we'll ever need

You and me again, maybe

You keep asking me if I will love you for all time

If two of us will be enough to make it strong

And if we learn to keep it free and let each other grow

We'll find out there's no yes or no just

Maybe there'll be no falling stars this time around

I still believe that

Honesty is all we'll ever need

Can we make it through, maybe

No candles or guitar this time around (this time
around)

I still believe that

Honesty is all we'll ever need (all we'll need)

You and me again (maybe)

Maybe

Maybe there'll be no falling stars this time around (this
time around)

I still believe that

Honesty is all we'll ever need

(till fade)
