Oceans apart day after day  
And i slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain  
If i see you next to never  
How can we say forever

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes or how heart breaks  
I will be right here waiting for you

I took for granted all the times  
That i thought would last somehow  
I hear the laughter  
I taste the tears  
But i can't get near you now

Oh can't you see it baby  
You've got me going crazy

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

I wonder how we can survive this romance  
But in the end if i'm with you  
I'll take the chance

Oh can't you see it baby  
You've got me going crazy

Wherever you go  
Whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

Waiting for you
