Yeah... yeah...
Whoa... oh... oh...
Baby
Whoa... oh... whoa...

These are the eyes that never knew how to smile
Till you came into my life
And these are the arms that long to lock you inside
Every day and every night

Oh, baby, here is a soul of which you've taken control
Don't you know I'm trying to show love has arrived

Oh, oh, whoa, show and tell just a game I play
When I wanna say I love you
Oh, oh, whoa, now show me and tell me
That you feel the same way too
Say you do, baby, baby

These are the hands that can't help reaching for you
If you're anywhere in sight
And these are the lips that can't help calling your name
In the middle of the night

And baby, here is a man that needs to know where he
stands
Don't you know I've done all I can, so decide, ooh, girl

Show and tell just a game I play
When I wanna say I love you
Oh, oh, oh, now show me and tell me
You feel the same way too
Say you do, baby, baby, baby, baby

Whoa, whoa, whoa...
Say you do, baby
Whoa... baby

Here is a soul of which you've taken control
Don't you know I'm trying to show love has arrived, ooh,
girl

Show and tell just a game I play
When I wanna say I love you
Oh, oh, oh, now show me, tell me
You feel the same way too
Say you do, baby, baby, baby, baby

Show and tell just a game I play
When I wanna say I love you
Oh, oh, now show me and tell me
You feel the same way
The same way, baby, oh... oh... oh...

Now show and tell just a game I play
When I wanna say I love you
Show me, tell me
You feel the same way too
Say you do, baby, baby, baby, baby

I wanna hear you when you say it
I love to hear you say it
(I love you, I love you, I love you, I love you)
Say it, oh, sugar, won't you show me
(Show and tell) I wanna hear you say it (Show and tell)
Say it again
(I love you, I love you, I love you, I love you)
Whoa... oh... oh...
(Show and tell) Show you one thing (Show and tell), oh,
oh, oh

(Show and tell) Show me (Just a game I pay)
(When I wanna say I love you) I-I love you, baby
(Show and tell, just a game I pay)
(When I wanna say I love you) Oh, sugar, when you
show me, show me one thing

(Show and tell) Oh... oh... oh... oh...
(I love you) When I wanna say, say I love you, baby
(Show and tell) Oh... sugar, let me show you
(I love you) I wanna hear you say it, won't you tell me

(Show and tell) Show and tell, baby (Just a game I play),
oh... oh... oh...
(When I wanna say I love you) I love you, baby
(Show and tell just a game I play) I love you, do you
know I wanna love you
(When I wanna say I love you) Do you know I need you,
baby, baby
