There's an all out war tonight

Here's our chance to win the fight

Or lose your life

Listen for the battle cry

Lay your heart upon the line

Tonight, it's time

Defend your crime

Oh, oh, you better get ready

Oh, oh, cause my aim is steady

(CHORUS)

I take no prisoners in the game of love

It's all or nothing or it's not enough, oh

I take no prisoners in the game of love

It's a one on one attack

I've got you cornered and

You can't go back to what you had

You can't do that

Oh, I've waited long enough for you

I want to capture everything

Your love can do

There is no rescue

You can't win cause I won't let you

Give in cause I'm coming to get you

(CHORUS)

You're gonna need somebody

When you let go of the

Fight on your hands

I wanna be the body

Breaking your fall

Holding your hand, ohh

Oh, oh, you better get ready

Oh, oh, cause my aim is steady

Said my aim is steady

My aim is steady

(CHORUS) 2X

(Take no prisoners) in the game of love

(All or nothing) or it's not enough, oh

I take no prisoners in the game of love

(Take no prisoners) in the game of love

(All or nothing) in the game of love

In the game of love

(CHORUS) 2X

(Take no prisoners) in the game of love

(All or nothing) in the game of love

Oh, take no prisoners in the game

I take no prisoners in the game of love

It's all or nothing or it's not enough

Oh, I take no prisoners in the game
