Triple bypass at the double A, tripple X.
Here it comes.
Make sure you can hear me before you speak up
Any of you mothafuckas step up.

I like the innocent type, doing the headlight, rocking
me all night, flexing his might, doing it right, keeping
me tight, taking a bite out of the peach tonight.

evalition, 'cause I'm on a mission for the ignition, the
competition and the definition of my position.
It's bitchin, it's bitchin, it's bitchin, its bitchin.

Only double A, think you're tripple x.
(X3)
