Jump, jump, jump
Jump, jump, jump
Jump, jump, jump...
Sexy, sexy, sexy...
Jump, jump, jump
Jump, jump, jump...

Nobody does it like you
That's why I like you
You make me wanna,
Wanna spend more time with you
More money on you
Girl, you make me wanna

Nobody does it like you
That's why I like you
You make me wanna,
Wanna spend more time with you
More money on you
Girl, you make me wanna

Move your body, ooo, ooo
Move your body, ooo, ooo
Move your body, ooo, ooo
We, we, we love to party
Move your body, ooo, ooo
Move your body, ooo, ooo
Move your body, ooo, ooo
We love to party

Sexy, sexy, sexy, sexy
Jump, jump, jump
Jump, jump, jump...

Let's celebrate

Let's celebrate
Let's celebrate
Let's celebrate
Let's celebrate
Let's celebrate

I love my baby and I'm right, right by his side
I am not feeling alone
I love my baby and I'm right, right by his side
I am not feeling alone

Hands up, hands up, hands up
Everybody hands up, hands up, hands up
Hands up, hands up, hands up
Hands up, hands up, hands up...

Jump, jump, jump
Jump, jump, jump
Jump, jump, jump
Jump, jump, jump
Jump, jump, jump
Jump, jump, jump...

Move your body, ooo, ooo
Move your body, ooo, ooo
Move your body, ooo, ooo
We, we, we love to party
Move your body, ooo, ooo
Move your body, ooo, ooo
Move your body, ooo, ooo
We love to party

Move your body, ooo, ooo
Move your body, ooo, ooo
Move your body, ooo, ooo
We, we, we love to party
Move your body, ooo, ooo
