Christine:

So it was all an empty lie,  
One final lie to fool us all,  
To make your death our stories end,  
To put your life beyond recall.

How dare you come and claim me now,  
invade my life, ensare my vioce,

Phantom:

If you could know the pain I'd known,  
Then you would know i had no chioce,

My christine

Christine:

Your christine!,  
I was yours one brief night long ago,  
Long ago, with a man that i no longer know

Phantom:

Ah christine,  
You came and found where i hid,  
Don't you deny that you did,  
That long ago night.

Once there was a night,  
Beneath a moonless sky,  
To dark to see a thing,  
To dark to even try.

Christine:

I stole to your side,  
Tormented by my choice,  
I couldnt see your face,  
Yet trembled at your voice

And I touched you

Phantom:

And I felt you

Both:  
And I heard those ravishing refrains

Christine:  
The music of your pulse

Phantom:  
The singing in your veins

Christine:  
And I held you

Phantom:  
And I touched you

Christine:  
And embraced you

Phantom:  
And I felt you

Both:  
And with every breath and every sigh

Christine:  
I felt no longer scared

Phantom:  
I felt no longer shy

Both:  
At last our feelings bared,  
Beneath a moonless sky

Christine:  
And blind in the dark,  
A soul gazed into soul,  
I looked into your heart  
And saw you pure and whole

Phantom:  
Cloaked under the night,  
with nothing to suppress,  
A woman and a man,  
no more and yet no less.

And i kissed you,

Christine:  
And caressed you,

Both:  
And the world around us fell away,  
We said things in the dark we never dared to say.

Phantom:  
And I caught you,

Christine:  
And I kissed you,

Phantom:  
And I took you.

Christine:  
And i begged you.

Both:  
With a need to urgent to deny,  
And nothing mattered then except for you and I  
Again and then again,  
Beneath a moonless sky

Phantom:  
And when it was done,  
Before the sun could rise,  
Ashamed of what i was,  
Afraid to see your eyes.

I stood while you slept,  
And whispered our goodbyes  
And slipped into the dark,  
Beneath a moonless sky.

Christine:  
And i loved you,  
Yes i loved you,  
I'd have followed anywhere you lead,  
I woke to swear my love,  
And found you gone instead.

Phantom:  
And I loved you

Christine:  
And I loved you

Phantom:  
And I left you

Christine:  
How i loved you

Phantom:  
And i had to both of us knew why

Christine:  
We both knew why

Both:  
And yet I wont regret,  
From now until i die,  
The night i cant forget,  
Beneath a moonless sky
