Say it's true, there's nothing like me and you
You're not alone, tell me you feel it too
Cause I would runaway, I would runaway with you
I would runaway, I would runaway with you.

Cause I'm, falling in love, with you
No, never, I never gonna stop
Falling in love with you.

Close the door, lay down, on the floor
And I candle light, make love to me through the night

And I have runaway, I have runaway with you

I have runaway, I have runaway with you.

Cause I'm, falling in love with you
No, never, I never gonna stop falling in love
With you.

And I have runaway, I have runaway with you
I have runaway, I have runaway with you.

Cause I'm, falling in love with you
No, never, I never gonna stop falling in love
With you.
