[chorus]

Crush, crush is the world that you use when you dont
have the guts to tell him what you feel is truley real

[Verse 1]

Sometimes it might come out that your just my crush,
other times all i needs to feel you touch.

[verse 2]

and the warmth of your deepdark eyes, I often get lost
inside-----

[chorus x2]

Crush, crush is the world that you use when you dont
have the guts to tell him what you feel is truley real

Crush, crush is the world that you use when you dont
have the guts to tell him what you feel is truley real

[verse 3]

and your smile--- oh, your smile is the light of my
dayayay

Because

[chorus]

Crush, crush is the world that you use when you dont
have the guts to tell him what you feel is truley real
