Wear a smile, they say  
But it faded when you went away  
I tell myself, I got to be strong  
Hold my head up high, can't push it all

But Monday through Sunday  
I cannot have just one day  
That I don't think of you  
And I don't call myself bluer than blue

Listen baby, I wear a mask of pretense  
When I party with my friends  
And I've even told them all  
That I've gotten over you

They being my friends pretend that it's true  
But it's in my voice there's no way, nohow  
If I had my choice, I wouldn't be with you right now  
Ever since I've lost you, I've been bluer than blue

Bluer than blue, baby  
Since I lost you  
I'm like a Robin without the wing  
I can't fly and I won't sing

Like a Romeo with no Juliet  
My whole world has been upset  
Without you I'm bluer than blue  
I'm bluer than blue

Anybody that's ever been in love  
Those are feelings that I'm speaking of  
And when you burn yourself walking the floor  
Or waiting for a knock upon your door  
You wait at night, you start to cry  
Every thing's wrong, nothing's right

It's in your walk and it's in your talk  
You try to fight the feeling  
But the truth shows up  
There's nothing you can do  
When you're bluer than blue

So it's Monday through Sunday  
I cannot find just one day  
That I don't think of you  
That I don't wake up blue  
'Cause without you I'm bluer than blue  
Bluer than blue
