Close your eyes, take a deep breathe  
(Close your eyes)  
Open your heart and whisper  
(Open your heart)

I love you, I love you  
Tell me you love me, tell me you love me  
You love me, you love me

Hold me tight  
(Hold me tight)  
Don't say goodnight  
(Don't say goodnight)

We've got the time  
Everything's gonna be alright  
Just hold me darling, never let me go and tell me  
You love me, you love me, you love me

Oh, no, no  
(Oh, no, no)  
Even though  
(Even though)

This is not the way I want it to be  
But if you must pretend  
That's alright with me

Close your eyes, take a deep breathe  
(Close your eyes)  
Open your heart and whisper  
(Open your heart)

I love you, I love you  
Tell me you love me, tell me you love me  
You love me, you love me
