Ooh, ooh, ooh
Ooh, wee, ooh

Always together, together forever
Always together forever

I will love you till the day I die
I know this now and my love won't run dry
You came along, my life has begun
Two hearts are now beating as though they were one

Like the stars that make the night so bright
You shine on me with a love that's so right
A love that is lasting, a love that's so pure
Each time I feel it, it makes me more sure

I know with all my heart we'll never part
For this is the day when our love comes alive
And I mean what I say
as I stand here saying

(chorus)
I pledge my love to you
I pledge my love is true
I pledge my life to you
I do, my dear
I do, my dear
Like a river finds the deep blue sea
Love took your hand and led you to me
This is the us that I'll never forget
Both sparkling with love, both happy we met

I know with all my heart we'll never part
For this is the day when our love comes alive
And I mean every word
and I want you to know that

(chorus)

I'm so proud to have you by my side
You'll be my strength and I'll be your guide
You are the one, you're a dream that is real

Heaven has sent you, it's love that I feel

I know with all my heart we'll never part
For this is the day that our love comes alive
And I mean what I say
If somebody should ask me

(chorus)

I do
I pledge my love to you
