Let me be the one
To always love you
Let me be the one
To take care of you

When you're looking for someone
To tell your troubles to
Let me be the one for you

Let me be the one
When you are lonely
Let me be the one
You think of only

When you want someone to go to
When your day is through
Baby, let me be the one for you

Let mine be the lips
To kiss you sweetly
Let mine be the arms
To hold you tight

Baby, give your love
To me completely
Let me be the one
You come every night

Let me be the one
You can rely on
Let mine be the shoulder
You can cry on

And I promise I'll be loving you
My whole life through
If you let me be the one for you
If you let me be the one for you
