If we had the chance to start again,  
Would you take me to your heart again.  
And hold me in your arms the way you use to do,  
You promised always to remember

If you still feel the need inside for me,  
Wont you put aside your pride for me,  
And take me all the way,  
Back into your life,  
It use to be so right,  
Remember...

Remember how we use to fall in love,  
Every time your eyes met mine,  
Remember how we use to tell each other this love of  
ours will last till the end of time.  
Baby don't you know you still the reason that i live.  
Cant we learn to forget,  
Cant we learn to forgive.

You can turn and walk away from me now,  
Or say the lesson's learnt and stay with me now,  
And hold me in your arms,  
The way you use to do,

You promised always to Remember.

Remember how we use to fall in love,  
Every time your eyes met mine,  
Remember how we use to tell each other this love of  
ours will last till the end of time  
Baby don't you know you still the reason that i live.  
Cant we learn to forget,  
Cant we learn to forgive.

Now we have the chance to start again,  
Wont you take me to your heart again,  
And hold me in you arms,  
The way you used to do  
You promised always to Remember,

Cos baby after all,  
After all that's said and done,  
Your still the only one  
Remember , Remember, Remember

Remember how we use to fall in love , every time your  
eyes met mine  
Remember how we use to tell each other this love of  
ours will last till the end of time  
Baby don't you know you still the reason that i live.
