I was a fool to ever leave your side
Me minus you is such a lonely ride
That breakup we had has made me lonesome and sad
I realize I love you 'cause I want you back, hey, hey

I spent the evening with the radio
Regret the moment that I let you go
Our quarrel was such a way of learning so much
I know now that I love you 'cause I need your touch,
hey, hey

Reunited and it feels so good
Reunited 'cause we understood
There's one perfect fit and sugar, this one is it
We both are so excited 'cause we're reunited, hey, hey

I sat here, staring at the same old wall
Came back to life just when I got your call
I wished I could climb right through the telephone line
And give you what you want so you would still be mine,
hey, hey

I can't go cheating, honey I can't play
I found it very hard to stay away
As we reminisce on precious moments like this
I'm glad we're back together 'cause I missed your kiss,
hey, hey

Reunited and it feels so good
Reunited 'cause we understood
There's one perfect fit and sugar this one is it
We both are so excited 'cause we're reunited, hey, hey
Yeah, yeah, yeah, baby

Lover, lover, this is sudden love
And you're exactly what I'm dreaming of
All through the day and all through the night
I'll give you all the love I have with all my might, hey,
hey

Reunited and it feels so good
Reunited 'cause we understood

There's one perfect fit and sugar, this one is it
We both are so excited 'cause we're reunited, hey, hey

Yes I'm baby
I won't ever make you cry, I won't let one day go by
Without holding you, without kissing you, without loving
you

Reunited you're my everything
Only you know how it feels all the love there is in me
I want to let you love, I won't let you go
I want to let you love, I won't let you go

Reunited, ooh feels so good
Reunited 'cause we understood
There's one perfect fit and sugar this one is it
We both are so excited 'cause we're reunited
