Ooh, hey, hey, ha  
Ooh, ooh

Got my fingers crossed  
I'm hoping I'll be skating with you  
Got my fingers crossed  
I'm hoping I'll be skating with you

Pardon me, but I gotta let you know  
You're a fabulous skater  
You're a one person show

You've got moves  
Others dream they can do  
I'd give anything on earth  
If I could skate with you

Take my hand and we'll glide around the rink  
To be grooving right beside you  
Is all I wanna think

Fast and fine, hey, I can't look away  
Got my eyes glued on you  
And the way you swing and sway

I dig you every night, rocking to the music  
You're like a sexy vision  
Skating in the moonlight

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Got my fingers crossed, I'm hoping I'll be

Skating with you  
Got my fingers crossed  
I'm hoping I'll be skating with you

You're so free

You jump high up in the air  
Won't you roll with me  
And make us a perfect pair?

Leaning real low  
On a criss-crossing stroll  
Say I wanna do it all  
See, I'm really hot to roll

I dig you every night  
Rocking to the music  
You're like a sexy vision  
Skating in the moonlight

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Roll on, roll, roll on  
Roll on, roll, roll on

Touch my waist, promise we'll fly  
Sparkling like the fourth of July  
Oh, you say you will and I do guarantee  
You could open my heart, be my skating key

And we'll keep on skating  
We may never slow down  
Lace em up tight and  
Skate all over town

We're lovers on wheels and we do what we do  
Side by side on a sidewalk for two  
I dig you every night, rocking to the music  
You're like a sexy vision, skating in the moonlight

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Roll on, roll, roll on  
Roll on, roll, roll on  
Roll on

Oh, got my fingers crossed  
I'm hoping I'll be skating with you  
Got my fingers crossed

I'm hoping I'll be skating with you

Got my fingers crossed  
I'm hoping I'll be skating with you  
Got my fingers crossed  
I'm hoping I'll be skating with you

Roll on, yeah  
Roll on, yeah  
Roll on, roll on  
Roll on, roll on

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be your roller-skating mate  
I can see us getting down, let's keep on skating, hey

Roll, roll on, roll, roll on  
Let's keep on, a grooving, oww

Roll on, let's roll  
With the soul now

Skating, dating  
Moving, grooving  
Rolling, souling

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be  
Your roller-skating mate  
I can see us getting down  
Let's keep on a spinning now

Roll on to the place  
Cross the floor, y'all

Whip it, whip it  
Whip it, whip it

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be  
Your roller-skating mate  
I can see us getting down, yeah

Gee, I'd love to be your roller-skating mate  
I can see us getting down on a roller-skating date

Gee, I'd love to be  
Your roller-skating mate  
I can see us getting down
