I knew when I moved in with you
That I couldn't live without you beside me (Stay, stay)
But I knew what to expect from you
Remember no-one said that it would be easy

Hard times when I stepped out of line
You said your woman has to act like a lady (Don't you
Like my games?)
Your hard lines, but all depends in mine
And you just have to get used to them, baby

Your frozen heart is gonna melt for me
I'm gonna turn this love into what it's supposed to be

A riddle that's raw, love that is sure
I won't ask for more from you, baby
A riddle that's raw, love that is sure
I won't ask for more from you, baby

Dictator
You're such a dictator

True love fits me just like a glove
But it's something that you just can't get used to
(Tight fit)
Your love needs more than a shove

And you can bet that I am going to push you

A riddle that's raw, love that is sure
I won't ask for more from you, baby
A riddle that's raw, love that is sure
I won't ask for more from you, baby

Dictator
You're such a dictator
Dictator
You're such a dictator

Your frozen heart is gonna melt for me
I'm gonna turn this love into what it's supposed to be

A riddle that's raw, love that is sure
I won't ask for more from you, baby
A riddle that's raw, love that is sure
I won't ask for more from you, baby

A riddle that's raw, love that is sure
I won't ask for more from you, baby
A riddle that's raw, love that is sure
I won't ask for more from you, baby

A riddle that's raw
A riddle that's raw
