Wassup, wassup, wassup, wassup, wassup?
Planet Asia, Peanut Butter Wolf, Planet Asia
Fresno's in your area, schoolyard's in your area
90706 in your area, Frisco, the Bay Area

San Mateo's in your area, Oakland's in the area
San Jose is in the area, Berkeley's in your area
Yo, we takin' care of ya'
So come along and I'll lead you the right way

I'm here to set it on ya', direct from California
Central Valley Asian, Planet Asia's on the corner
Lettin' every know that when it comes to the squad
We mega serious to be the most interested involved

In this rap shit, I place my part just like a barber
I never sack a bitch, I represents just like a starter
Catch me mackin' down ya breezie, just that easy with
that nigga Carter
At the hot spots, starin' at all you haters, I rocks baggy
like a skater

I never been a dater of a ugly duckling
Top notches I stay upductin' off the earth into the
hovercrafts
Saucer, I'm flyin' up in somethin'
But later for that 'coz then they all about sex

I'm into makin' phat music, massive, all about checks to
cash
My third eye X-ray through these plexo glass
Rappers that end up in my cypher, I might test that ass
Solid as a rock, static like blocks to get a chop

Massive slang practitioners be the next to drop
Massive slang practitioners be the next to drop
Schoolyard slang practitioners be the next to drop
An' if ya' don't know, now ya know, we keepin' shit hot

Peace to Shake, peace to Likwit, peace to Cuban
Protest, The Trendsetters, Obi-One, Dat, Epic, GL
I think they got somethin' they wanna say to me

Yo, wud up? Wolf Dog, Supreme, Chemist, Soul Father
Rasco
Fanatic, Peanut Butter Wolf let me [Incomprehensible]
