This lousy screaming again  
It hurts like thousands before  
They say it's nice  
I know the score

This is spell of mine  
Another brick in wall  
Another dream that must die  
This is my private war

Justice

Now I'm mighty 'n' high incredible  
So far I can do anything  
Let me know sweet and lovely god  
What's wrong with that bloody stuff

Saw black sun with it's dirty light  
Try go on, stoned unholy knight  
Shining on now see me fly  
Yes, I'm sure we're afraid of fight

I guess we all have time to call insanity  
Leave me now to break the spell of trying  
Drown my thoughts in wine of joy and sanity  
Show me what you need look out

Take me there, it's in your eyes  
Running free I'm out of rights that's all  
Watch me out beware of lies  
Liars know you can never walk without  
Their gloomy hope  
This is the spell of mine  
Another brick in wall  
Another dream must die know that you  
Are right  
Saw black sun with it's light  
Try go on unholy knight

I guess we all have time  
Leave me now to break the spell
