Yes, I remember this year  
When we re flying on Mitshubishi Zero  
Yes, I remember this time In 1945 we fought.  
Say, say hello to the sun  
And don't wait for the answer, the answer is - die  
So, you must know, I'll return  
Only in tears and that sad memories

[Chorus: ]

Oh! Don't give up, bring me victory  
Right now!  
Say, say good bye to your wife  
And don't tell your children, that now you must fight  
Say, say good bye to your live  
Kamikadze was born to die in the clouds.

[Chorus:]

Oh! Don't..  
Yes, you remember this year  
When you're flying on Mitshubishi Zero  
Yes, you remember this time  
In the 1945 you fought
