High  
In the mountains  
The castle  
In the clouds  
I'm a little boy  
Who want's to be yours  
Look up  
A t me  
Look up  
I'm a servant of your soul.  
I'm sleeping  
In your dreams  
I'm freezing  
In your arms  
If you want me  
I'll please you  
If you want  
I'll die  
Look up  
At me  
Look up  
I'm a servant of your soul.  
Time has passed  
And I wonder  
How to meet you again  
High in the clouds  
I don't see that  
Castle,  
Castle in the clouds.  
You are gone  
My love  
You're gone forever  
I'm a servant of your soul  
Lost forever.
