Ah where u at shawty, ah where u at shawty

I guarantee I can put u on the map shawty
So tell yo' man u ain't playin and that's a wrap shawty
I'm right here, now tell me where u at shawty (shawty whoa)
Ah where u at shawty, ah where u at shawty

Hey shawty what's good, tell me what's yo' name
She tellin' me her name, but she said she got a man
And I was bout to walk away that's what I didn't understand
She said she in this thing that went down the wrong lane
And she might be running game, but hey (things change)
She thinking the same, I'm thinking the same
We thinking the same, we can do this shit again
So the numbers were exchanged, I'ma call u when I can
Had a show the other night, I was stoked that she came
So I bought us both a bottle, we was drinking all night
She said I know this is wrong, but it feels so right
And I told her that we good, I was being polite (aaa...)

REPEAT HOOK

Ah where u at girl, cause I can't find u
Oh there u go with all that behind u
I see u dancing girl, I'm coming get behind u
I see u dancing, yes, I'm coming get behind u
The club poppin', so shout out to the DJ
Cause we rocking to every song that he play
Oh that's my song, put that record on replay
Now back to the scene, cause it's getting really late
I'm talking to shawty to make sure she really straight
Cause if she ain't, I'ma make sure she make it safe
Like she was running and she sliding up in home plate
She looking good, so I'ma tell her what the song say
