"Attention, attention, calling Chipz, calling Chipz

There's been a UFO sighting on the interstate highway
517"

"Rach-L to controle, I'm ready for a coverup"

There's something strange, knocking on your door

You don't know who to turn to, can't take it anymore

There's someting weird, right above your roof

You don't know who to call, there's an E.T. on the move

Chipz is back, we are back in black

Making up a story, as we cover any tracks

Who you gonna call when your home alone, who you
gonna call tonight

Who you gonna call in the twilight zone, Chipz is gonna
make it right

Chipz is back,

Back in black,

Chipz is back

"The UFO is moving south, I repeat, the UFO is moving
south"

There's something strange, crawling on the floor

You're running to your neighbours, you can't take it
anymore

There's something odd, you feel it in your hair

The UFO is lifting as you look up in the air

Chipz is back,

We are back in black

Making up a story, as we cover any tracks

Who you gonna call when your home alone, who you
gonna call tonight

Who you gonna call in the twilight zone, Chipz is gonna
make it right (Chipz is back)

Who you gonna call when your home alone, who you
gonna call tonight (Come on)

Who you gonna call in the twilight zone, Chipz is gonna
make it right

"Kevin to our cause, I found the UFO, and I'm preparing
to step inside"

We're checking up and down,

We're lo
