Hey lovely saturday  
Do you feel the same  
Do you wanna play  
Coz'I  
Just called up all my friends  
Together we will go away this  
weekend

The sun is shining in my eyes  
When i say

Holiday!

Pack your bags we're going away  
Going on a holiday  
To the sun down to the beach  
With all our friends and you and me  
we're going on a holiday!

Hey wanna  
Have some fun  
Take pitures  
in the sun  
So line up everyone  
And smile for the  
Camera eye  
Gonna save this photo  
All my life

The sky is blue  
And i am here wth you  
On a holiday

This is my summer  
This is my life  
Hear when i say

Pack your bags we're going away  
Going on a holiday  
To the sun down to the beach  
With all our friends and you and me

we're going on a holiday!
